

GAURAV KUMAR MAURYA

7237050124 | gaurav.maurya26.dev@gmail.com | LinkedIn | GitHub | Portfolio
LeetCode | GeeksforGeeks | Medium

TECHNICAL SKILLS

Languages: C++, JavaScript, TypeScript, Python, Java
Frameworks/Libraries: React.js, Node.js, Express.js, Next.js
AI/Agentic Systems: LangGraph, LLM Integration, Tool Calling, RAG, Prompt Engineering
Backend & Databases: REST APIs, OIDC and OAuth, JWT Authentication, Zod, SQL (MySQL), NoSQL (MongoDB)
Tools & Cloud: Git, Version Control, Postman, Vercel, Inngest, AWS, Stripe/Razorpay
Core CS: Data Structures and Algorithms, Operating Systems, Computer Networks, DBMS

EXPERIENCE

Astraea Solutions Pvt. Ltd.

Remote

Product Tech Intern

Jun 2025 – Jul 2025

- Deployed a Cyber Range module on AWS, reducing setup time by **40%** and helped **200+** students to access hands-on labs
- Produced **25+** pages of documentation and user guides, reducing new intern onboarding time by **30%**.
- Collaborated with professors from **IITs** to translate complex academic requirements into deployable tech solutions.

Software Developer Intern

Jun 2024 – Jul 2024

- Supported technical analysis and documentation for LMS integrations, translating requirements into structured specifications for cross-functional stakeholders.
- Collaborated in an agile virtual environment, strengthening problem-solving workflows and communication with team leads to meet project sprints.

PROJECTS

Sutra | LangGraph, AI Agents, Next.js, Vercel

[GitHub](#) | [Live Demo](#)

- Built **Sutra** is an AI workspace where conversations persist as connected, evolving knowledge rather than isolated chats.
- Engineered an end-to-end AI agent using **LangGraph**, applying loop, harness, and graph engineering principles to design robust multi-step reasoning workflows.
- Implemented **persistent memory context** and **tool-calling** capabilities, integrating web search, website extraction, crawling, and deep research into a unified agentic pipeline.

Automated PR Reviewer | TypeScript, Bun, Inngest, Zod, Stripe/Razorpay, Vercel

[GitHub](#) | [Live Demo](#)

- Engineered an **automated review pipeline** using TypeScript and LLMs to analyze code diffs and post feedback via GitHub API.
- Architected asynchronous **background jobs using Inngest** to decouple heavy LLM analysis from the main application thread.
- Integrated a secure **payment gateway** with webhooks for real-time subscription sync and resilient transaction handling.
- Implemented clean backend design using the **Chain of Responsibility pattern** and **Zod** for runtime type safety.

AlgoQuest | React, Node.js, MongoDB, Express, Judge0

[GitHub](#)

- Architected a full-stack code evaluation engine using the **Judge0 API** to replicate the real-time compilation mechanics behind platforms like **LeetCode**, **HackerRank**, and **GeeksforGeeks**.
- Engineered user-centric features allowing developers to author **custom programming problems** and curate personalized **problem playlists**.
- Engineered a **production-ready** backend architecture capable of reliably supporting **100+** concurrent users compiling and submitting code simultaneously.

ACHIEVEMENTS

- Demonstrated rigorous problem-solving discipline by independently solving over **1000+** problems on LeetCode and GFG combined, including the **Top 50 SQL** interview questions, and currently **Rank 5** at the institutional level on GeeksforGeeks comparing all previous batches
- Shortlisted for the internal round of **Smart India Hackathon (SIH) 2024**; developed a functional prototype for real-world problem statements during a **36-hour** hackathon.
- Organized **3+** community events via the **Rotaract Club**, impacting **150+** people through health, literacy, and environmental awareness drives.
- Led outreach programs in cross-functional teams, strengthening leadership, coordination, and stakeholder communication skills.

EDUCATION

Jaypee University of Information Technology

HP, India

Bachelor of Technology in Computer Science and Engineering; **CGPA: 8.20/10**

2022 – 2026

Little Flower House

Varanasi, UP

Senior Secondary Education (CBSE); **Percentage: 93%**

2019 – 2021
